

"SCOUTS" Get Great Welcome

The "Boy Scout" Shoes have jumped into favor here right from the start. They have made the same big "hit" with the boys of our town as they have made all over the country.

All agree nothing like them ever seen for baseball, running, jumping, and all-around and tumble wear.

The "BOY SCOUT" Shoe

Lightest, strongest and best shoe ever made for boys. Wears two to three times as long as other shoes. Feels soft as a glove. Just the thing for growing feet. No blisters. Coolest and most beautiful boy's shoe made. Soles can't tear loose.

"Corkers" for Baseball and All Outdoor Sports

"Boy Scouts" are big money savers. They're as near "boy-proof" as any shoes can be, and they're the best looking out-of-door shoes ever made. Boys like to wear them and so do men.

The Dignity of Service

It is nowhere so well exemplified as in this store. There are two things a mother spends her money for—Goods and Service. That we have the right goods is conceded by all who have seen our XTRAGOOD Suits for Boys. But the quality of our service is not measured by what you buy. It is determined by the requirements of each individual case.
